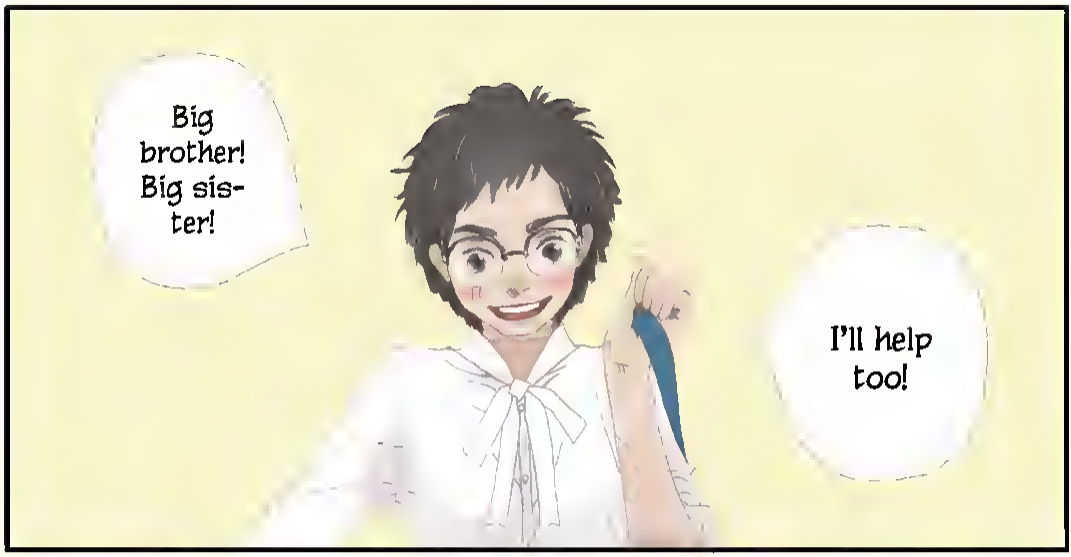
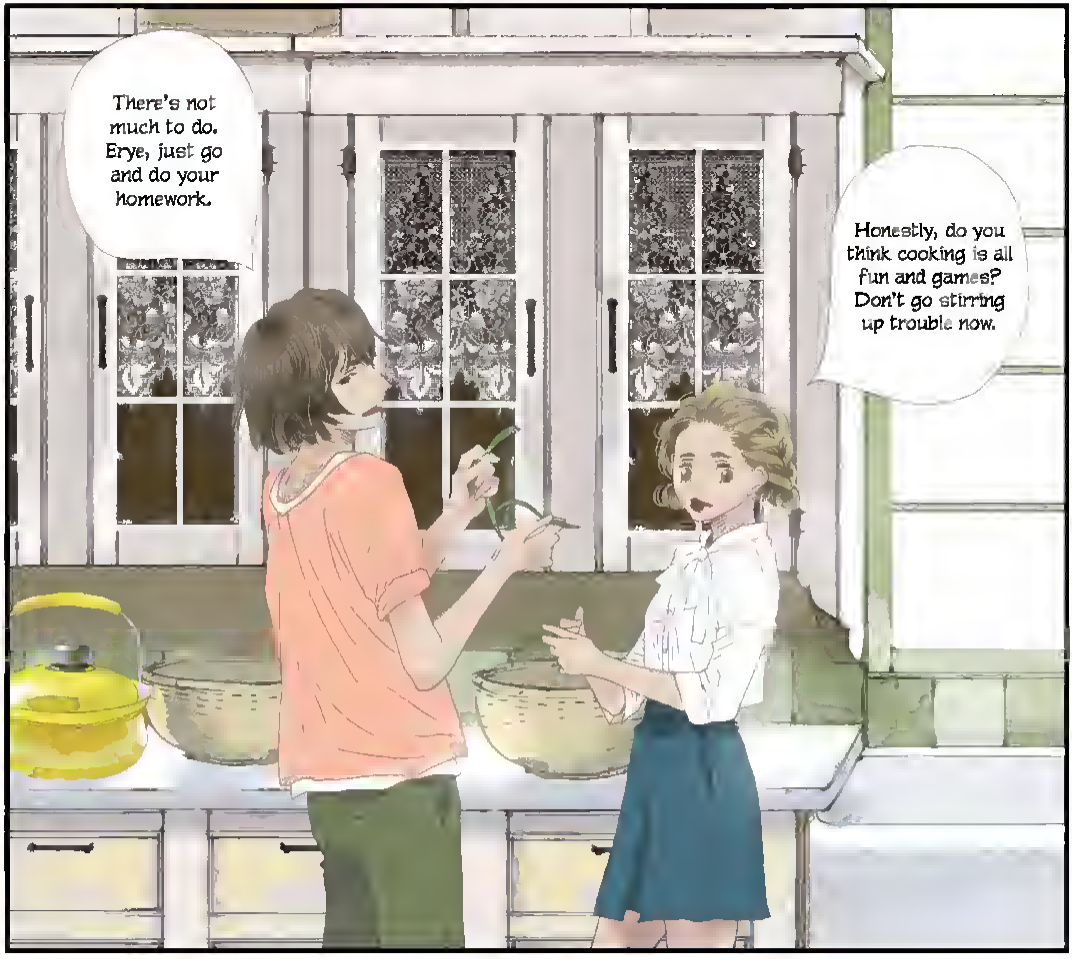
Chapter 3

First Love (1)



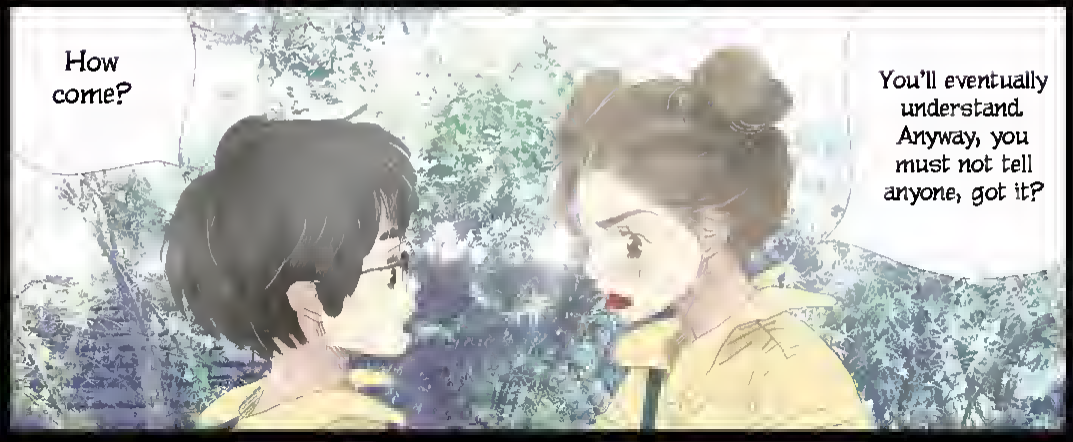
Big brother! Big sister!
I'll help too!



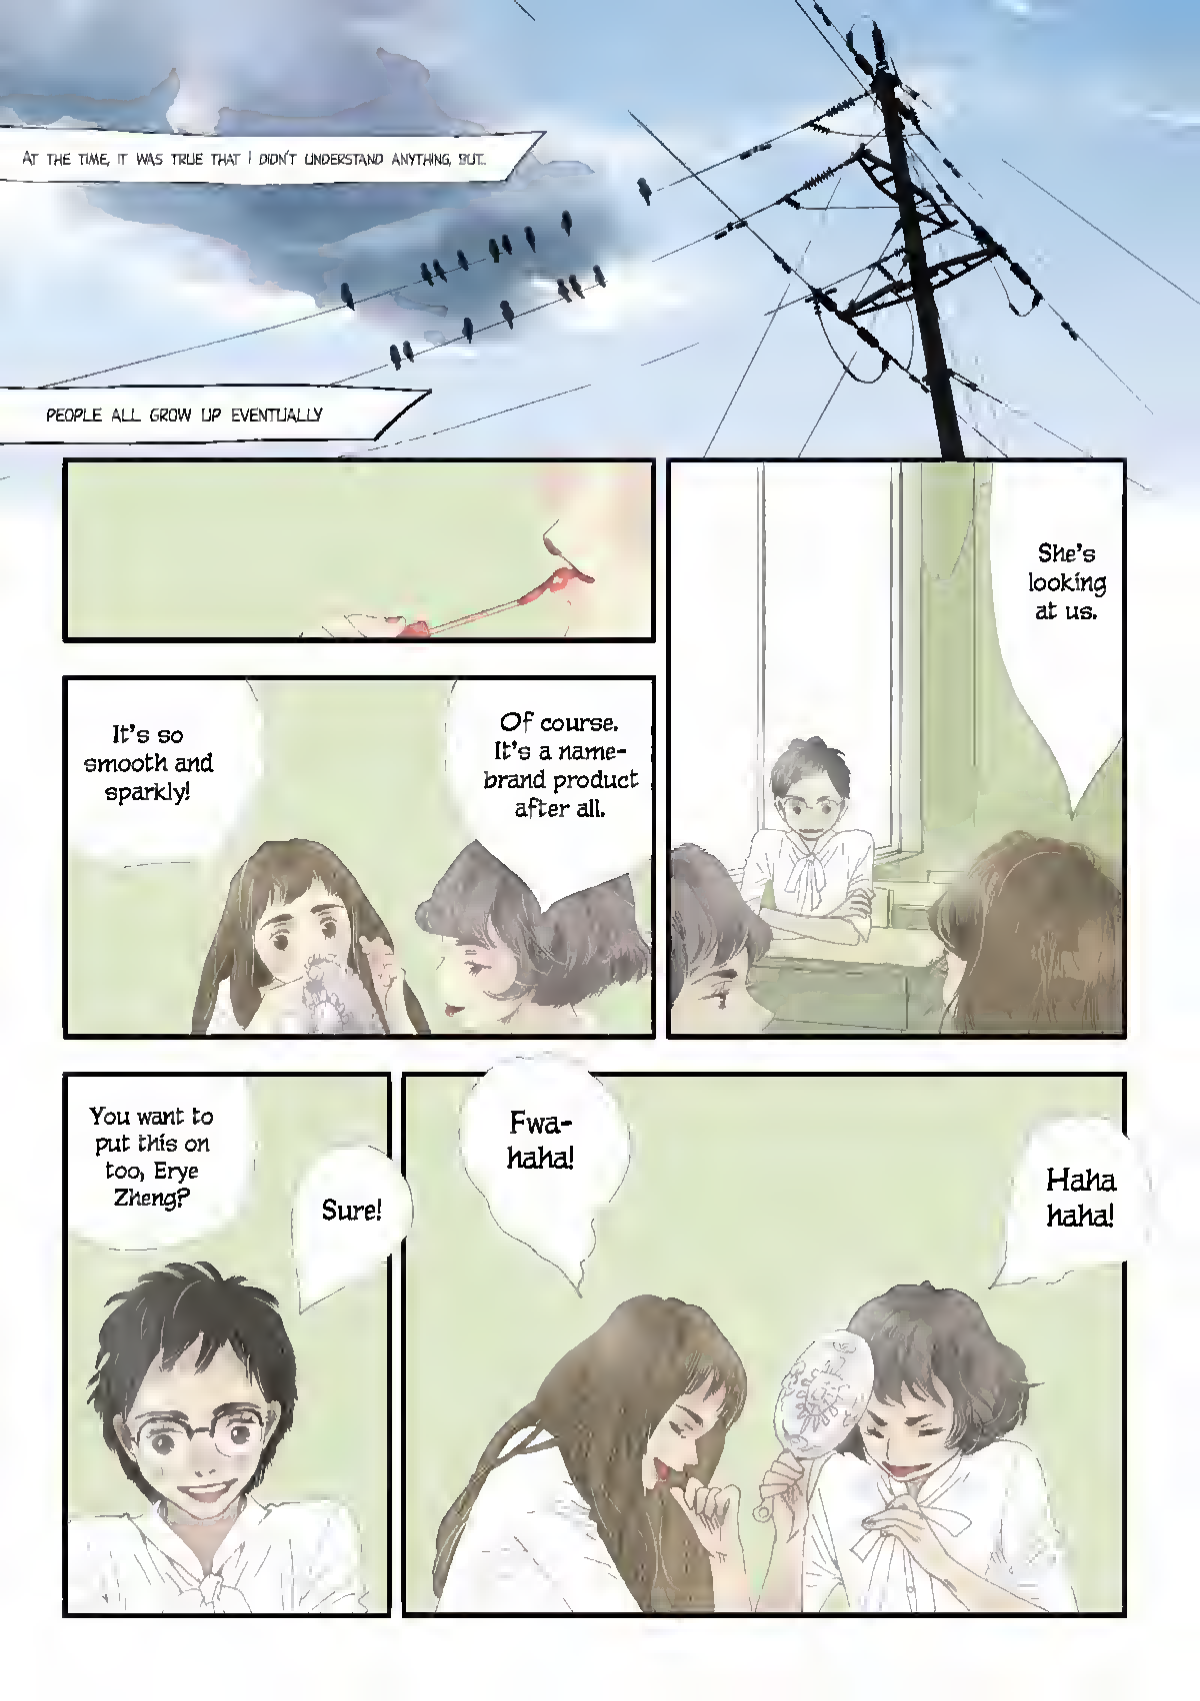
There's not much to do. Erye, just go and do your homework.
Honestly, do you think cooking is all fun and games? Don't go stirring up trouble now.

We'll let you know when dinner's ready!
Big brother and big sister have always been this way, acting like grown-ups,
and treating me like a child.

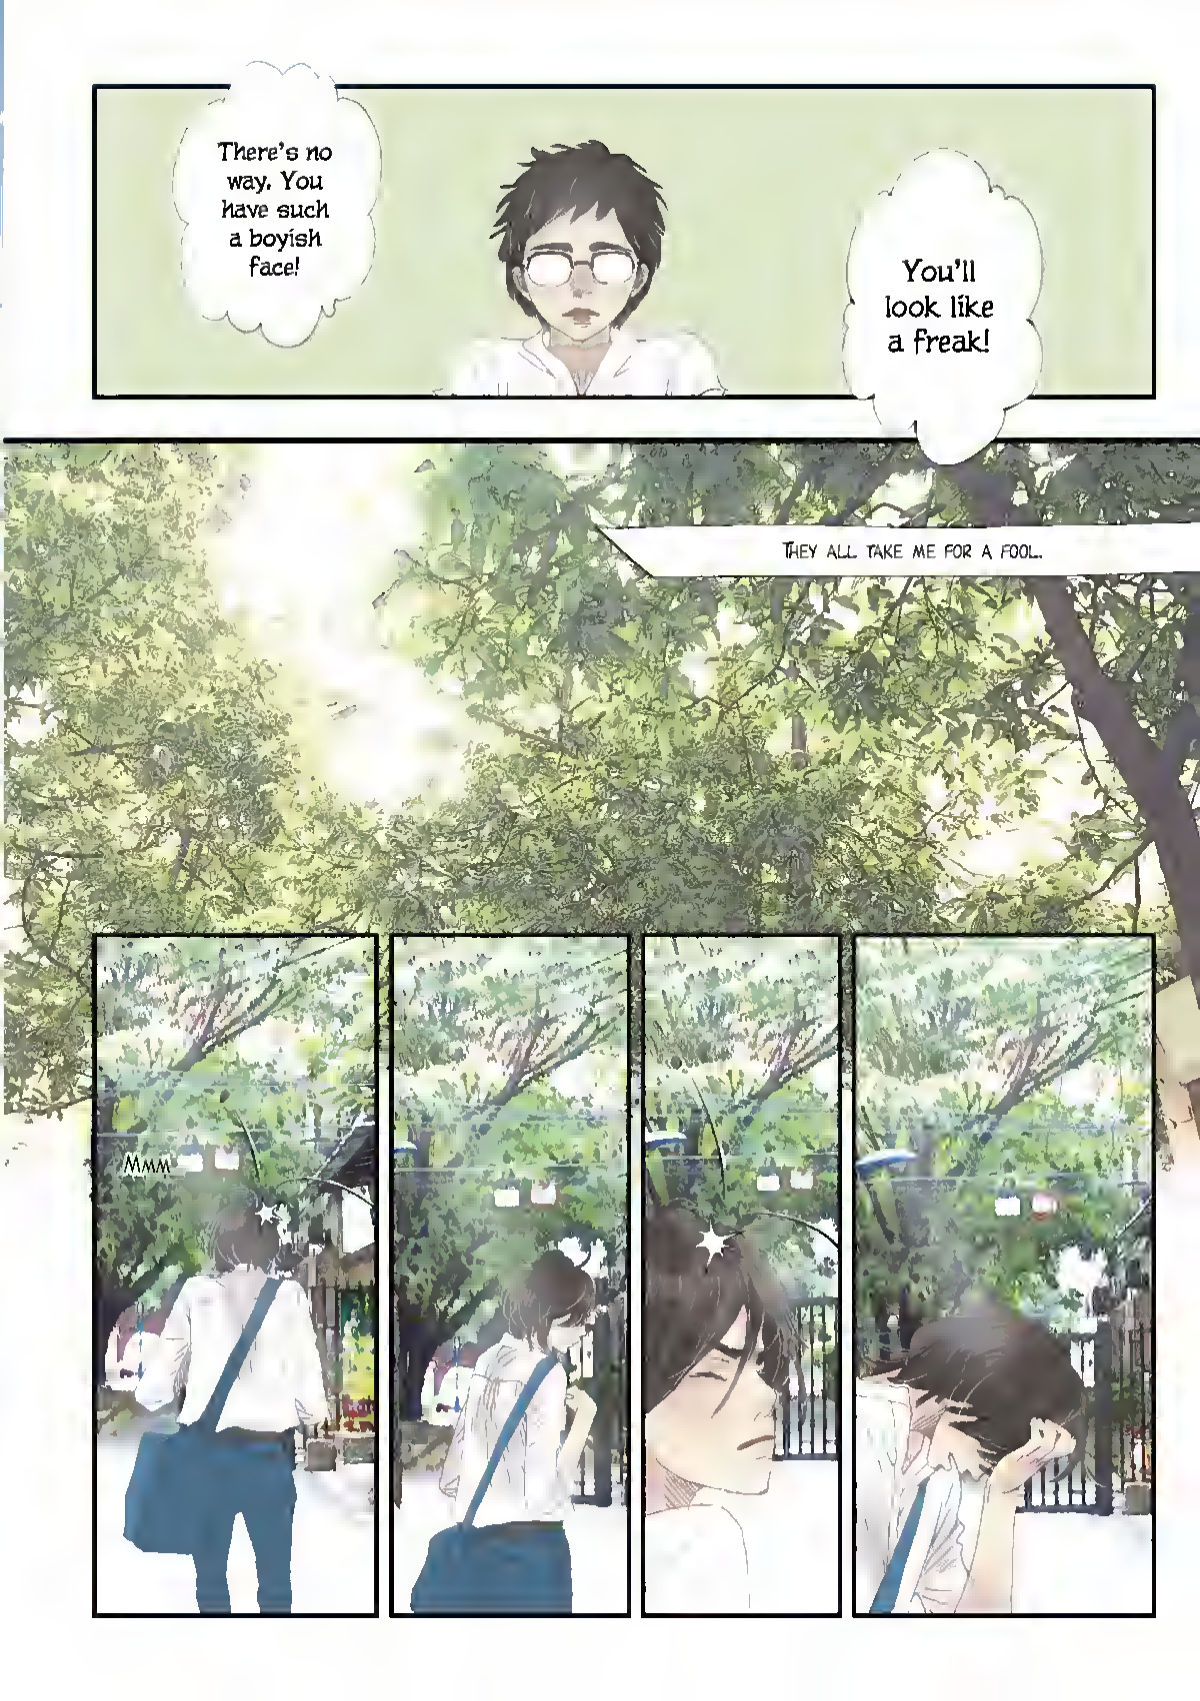
Listen up, Erye, you absolutely cannot let anyone know
that Zhizhi is Papa's child.



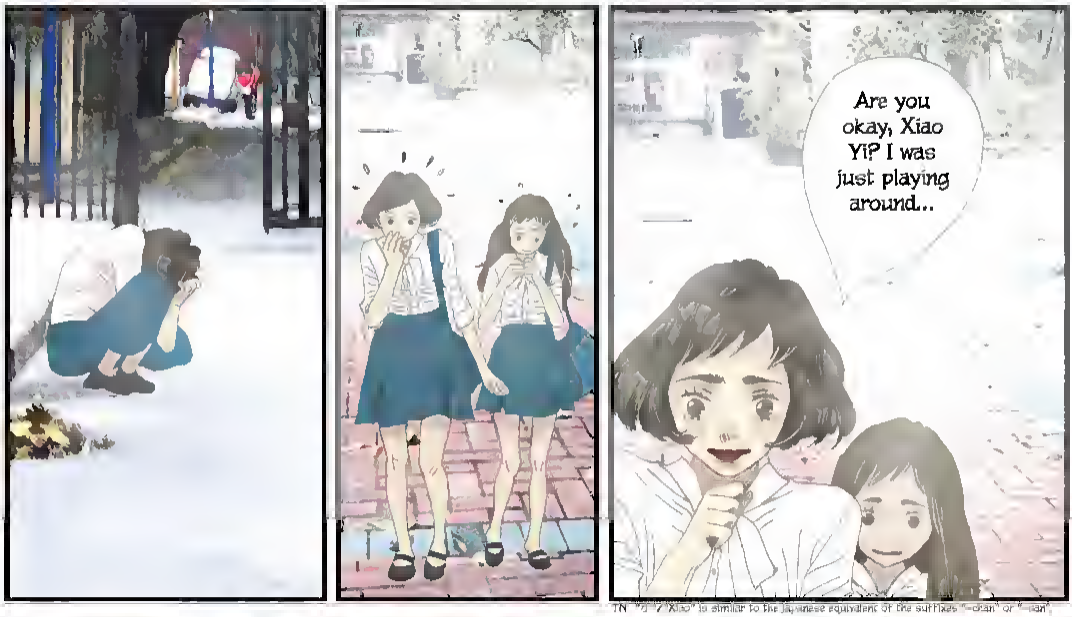
How come?
You'll eventually understand. Anyway, you must not tell anyone, got it?



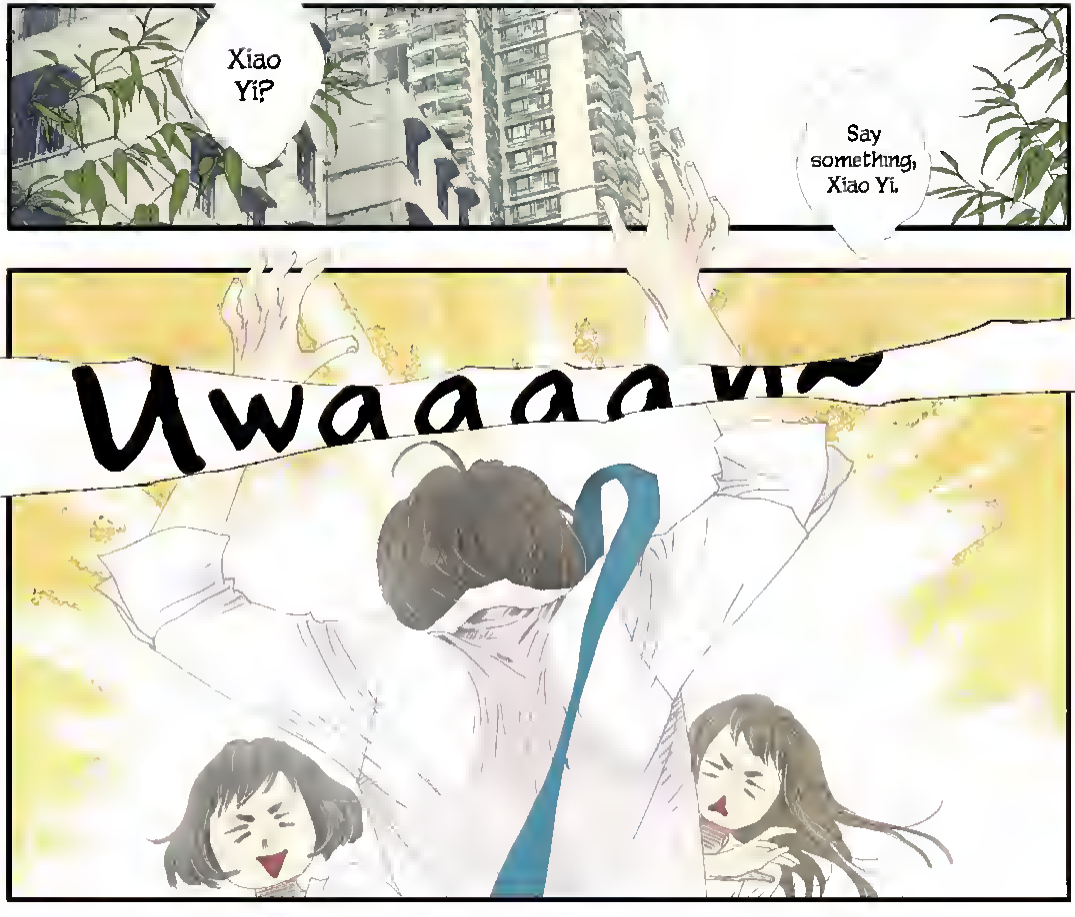
At the time, it was true that I didn't understand anything, but.
People all grow up eventually
She's looking at us.
It's so smooth and sparkly!
Of course. It's a name-brand product after all.
You want to put this on too, Erye Zheng?
Sure!
Fwa-haha!
Haha haha!

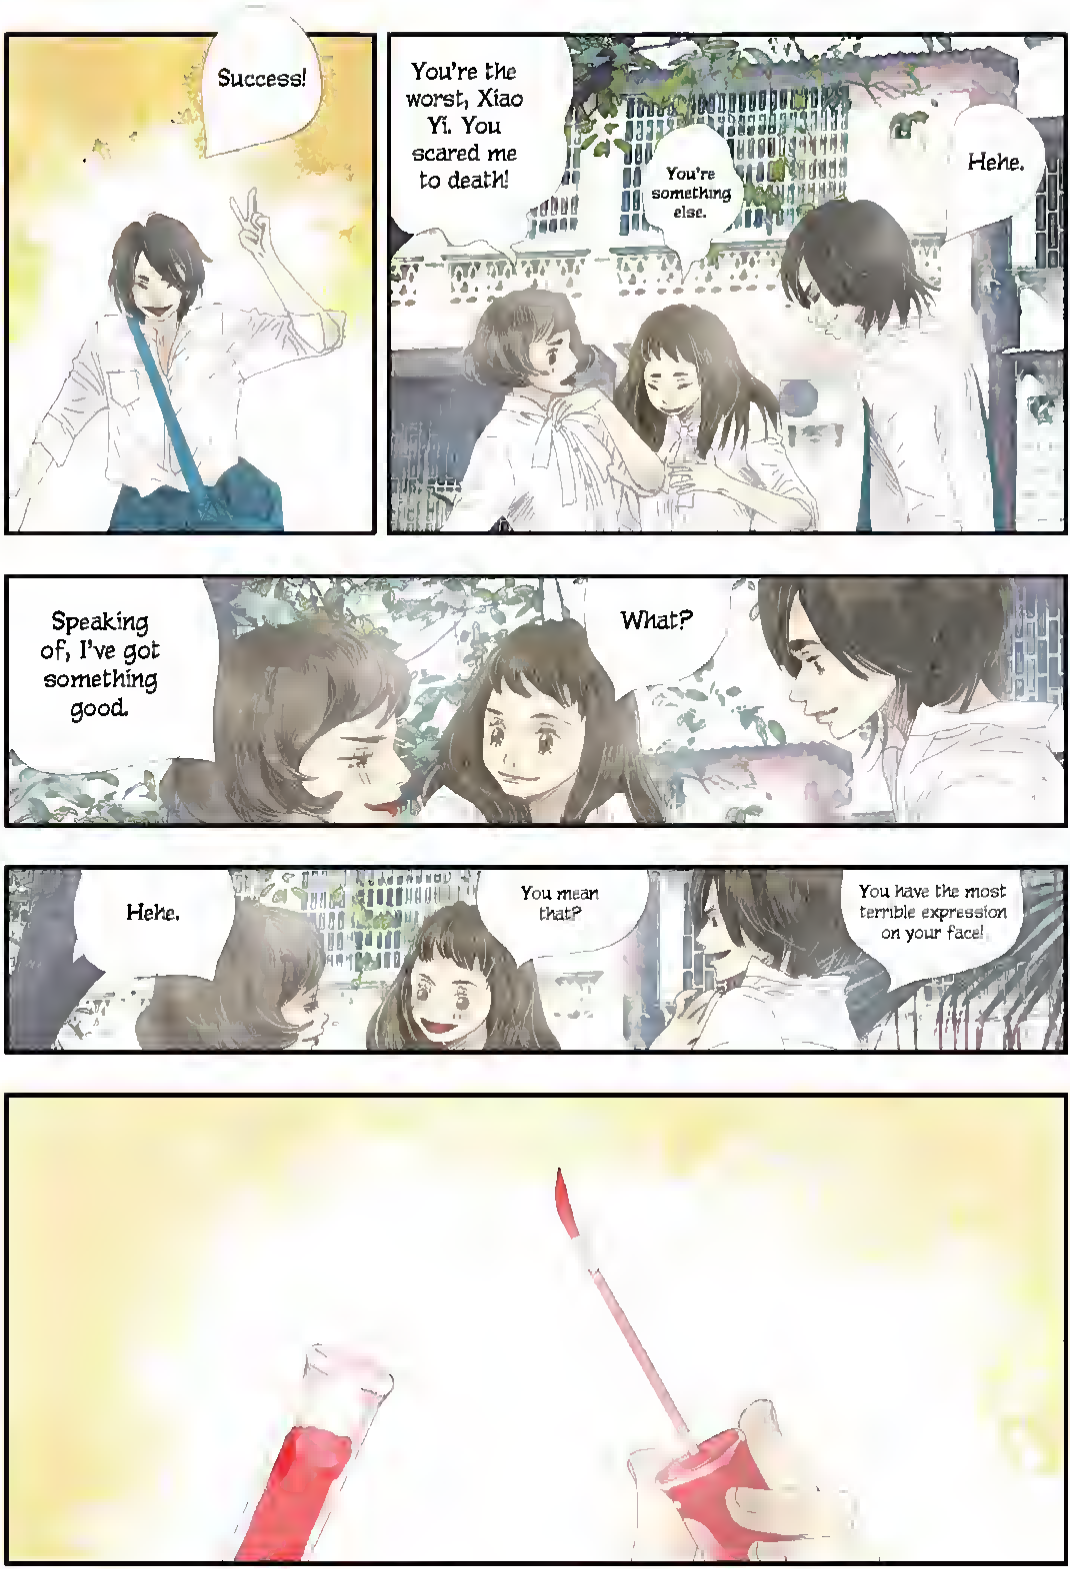


There's no way. You have such a boyish face!
You'll look like a freak!
THEY ALL TAKE ME FOR A FOOL...
MMM



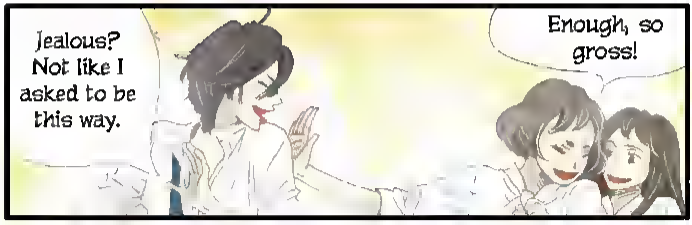
TN: "小 / Xiao" is similar to the Japanese equivalent of the suffixes "-chan" or "-san".



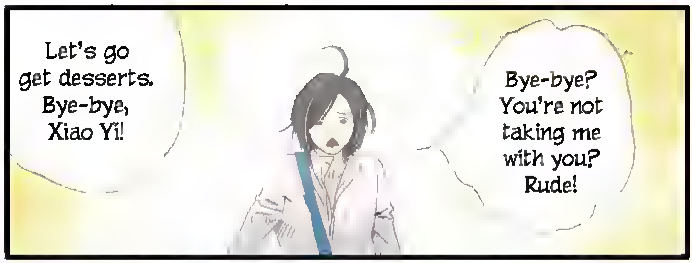


Success!
You're the worst, Xiao Yi. You scared me to death!
You're something else.
Hehe.
Speaking of, I've got something good.
What?
Hehe.
You mean that?
You have the most terrible expression on your face!

Ah no way! Looks perfect on you!



Jealous? Not like I asked to be this way.
Enough, so gross!

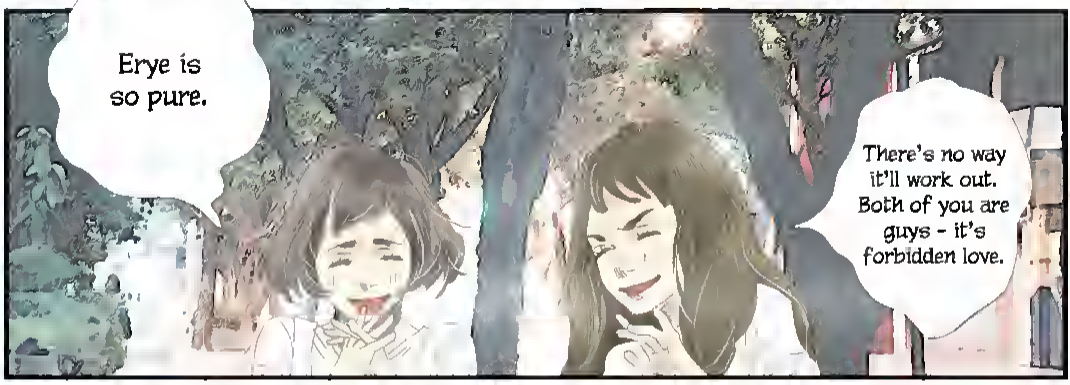


Let's go get desserts. Bye-bye, Xiao Yi!
Bye-bye? You're not taking me with you? Rude!

Just kidding. Of course we're taking you.
Let's eat lots today!

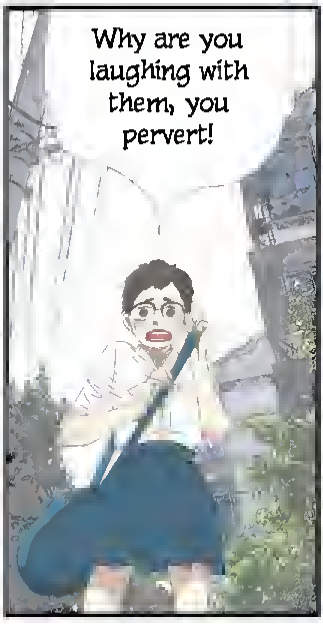
AAAAAAAAAAAAAH~
I'm sorry!
Are you okay?

I'm fine...
No way! What's that on his mouth?
Erye Zheng, can you please get off of me?
Erye doesn't want to get up.
Is it because Yi Shen is too beautiful and she's been enamoured?



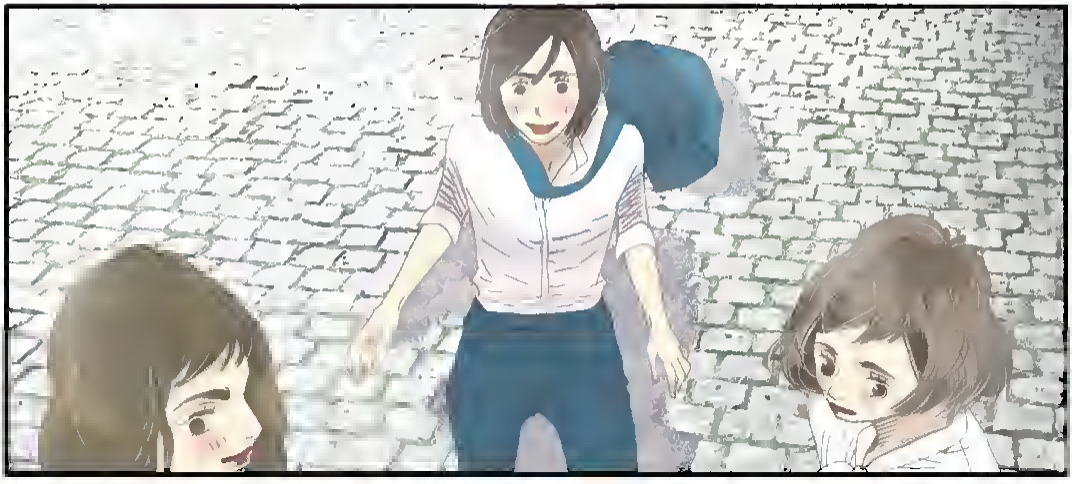
Erye is so pure.
There's no way it'll work out. Both of you are guys - it's forbidden love.

Whatever. It's not like I'm unable to accept guys.



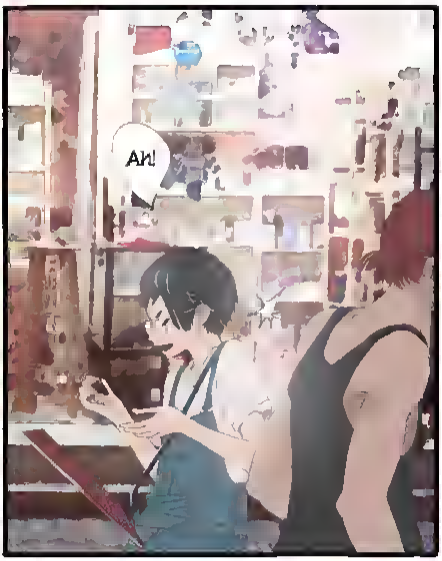
Why are you laughing with them, you pervert!

They're merely treating you like a laughing stock. What's so funny about that!



What are you thinking about, Erye?
You've hardly touched your food.

Noth-
ing!
Nothing at all.
THE THINGS I SAID TO HIM...
...WAS IT TOO MUCH?
Number 32, Xia Wan Street...
Where is that? The door numbers aren't even in order around here!



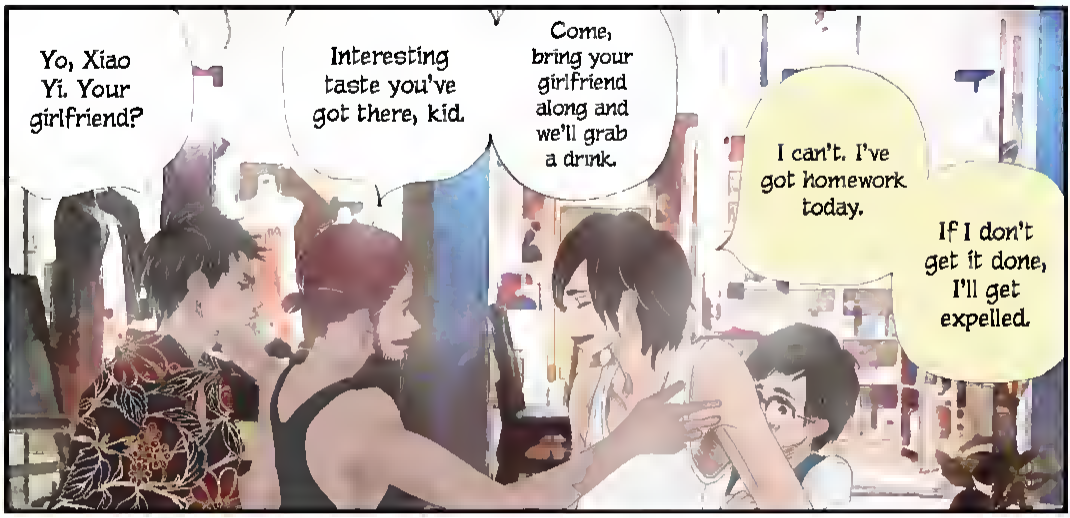
Ah!

Watch where you're goin', missy!
You guys were the ones who bumped into me!
Look, my notebook is all muddy!

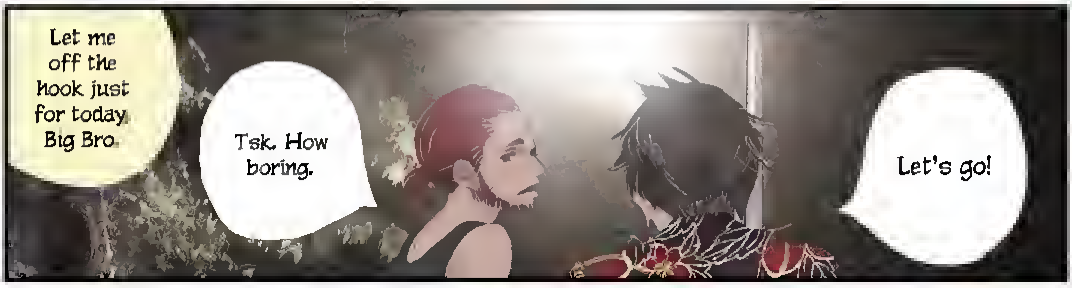
Eh, if it isn't Big Bro Long?

So you're saying that it's our fault?
What's next - do you also want some compensation?
That's not what I said at all!

Don't go scarin' a kid like that.



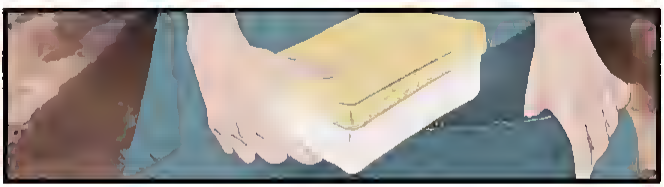
Yo, Xiao Yi. Your girlfriend?
Interesting taste you've got there, kid.
Come, bring your girlfriend along and we'll grab a drink.
I can't. I've got homework today.
If I don't get it done, I'll get expelled.



Let me off the hook just for today, Big Bro.
Tsk. How boring.
Let's go!

Little Miss Trouble-maker.
What are you doing here at this time of night?

.....



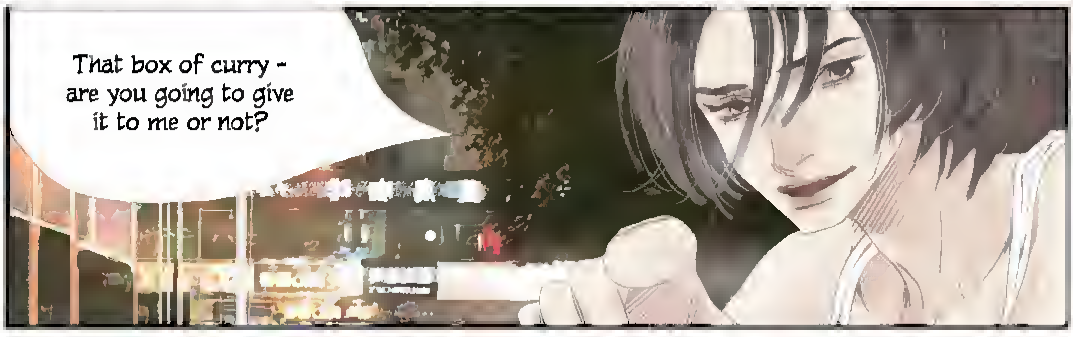
My brother made curry chicken - it's really good!
What happened after school... I'm really sorry!

Erye Zheng, you really are my saviour!

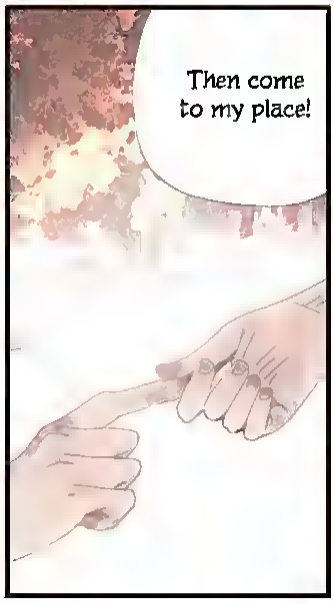
Yummy!
Hold on!
What's the matter with you! You have to eat curry along with rice!
And how can you eat this cold? You've got to heat it up in a microwave!
Hey, are you taking it back? I've never seen you like this.
I'm not taking it back!
It's just that you lack common sense!
This is for you to eat tomorrow! Who knew you were going to eat it on the spot, and with your fingers, too!
Did you not have dinner?

Nope, I haven't had dinner yet.
I'm almost starving to death.
Eh?
Then... at least... bring it home, put some rice in, and heat it up a little...
Your home is around here, right?

I don't have any leftover cooked rice or a microwave at my place.
Nor do I have rice or a pot.



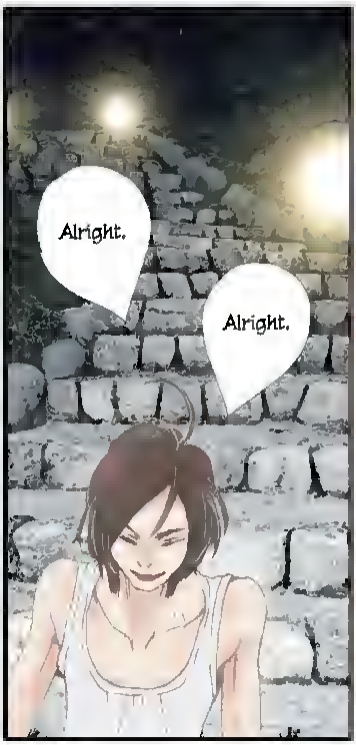
That box of curry - are you going to give it to me or not?



Then come to my place!

I have rice at my place, and I'll heat it up for you.

Can't believe you live in a mansion. You really are a wealthy missy.
Shh! My mother's got a bad temper, so make sure you don't make too much noise.



Alright.
Alright.

Hold on a sec, I'll heat up the rice.

HUUUM
DING!
Done!
What should I do, Erye Zheng? I'm so happy I'm about to cry.
